Performance Combo classes are offered as Jazz &/or Hip Hop Classes. Please review the attached Fee Schedule for the Performance Combo Program (PCombo).

PERFORMANCE COMBO (PCombo) program falls under our *Performance Program, not the Competition Program.*

This class or team has been designed to help bridge the gap between our recital and comp program. It is perfect for those dancers who are looking for a little more training than our recital or recreational dance program offers and a little less than the competitive program. It is also a great option for those who are possibly interested in auditioning for our competitive program, however, **participation does not guarantee that your dancer will be placed on a Competition team.**

The PCombo classes will perform at our Christmas and Spring Recitals, in all 3-4 Shows. PCombo classes will also compete in 1 competition sometime in the Spring. PCombo dancers will begin learning their competitive jazz routine at the beginning of the season, as well as their Christmas Routine. The Jazz routine will be performed for the competition and Spring Recital. Dance classes will begin in September, just like our Recital Program, however, PCombo dancers will participate in SUMMER TRAINING classes, which will be held in JUNE.

COMPETITION PROGRAM: If your dancer is interested in auditioning for our Competition Program, we highly encourage your dancer to participate in the Auditions for that program, held the week of May 20th, 2019. Information is available online at www.luv2dance.com.

If your dancer auditions for the Competition Program and it is determined by the Judges/Directors that your dancer is NOT ready for a Competition Team, the judges/directors may recommend Performance Combo (PCombo) as an alternative fit for your dancer. In this case, you will NOT have to pay any additional fees for the PCombo Audition Fee of \$25, since you have already paid the Competition Audition Placement Fee of \$50. The \$25 that would be refunded for not being placed on a Comp Team, will then transfer to cover the PCombo Audition Fee. There are no refunds for the PCombo Audition Fees. If your dancer is not ready for the PCombo classes, a recommended class will be provided.
