

SUMMER TUMBLING 2019

We want to thank our amazing Tumbling Instructor and Director, Becki Wood, who has decided to retire. Becki has been an incredible and we are so grateful that we've had the opportunity to have her guide, teach, and direct the tumbling program here at Luv 2 Dance, for many years. She is very talented and is loved by so many who have had the opportunity to be taught by her. We will miss her very much and wish her the very best as she moves forward into a new phase of life.

We are excited to introduce and welcome our new Tumbling Director and Instructor, Deasha Rockwood.

Letter from Becki Wood

Dear Luv2Dance Students & Parents,

What started as a one-month substitution for another teacher has led to many wonderful relationships and teaching opportunities that I will cherish. I must say, I have thoroughly enjoyed my years here at L2D. I have loved having the opportunity to not only teach how to do a trick but how to enjoy the process. I will miss the kids and their darling personalities; they have been a bright light in my life. In making this decision to step away, I feel that the program is in good hands moving forward and will look forward to seeing your progress. More importantly, thank you for all the love and support I have received while teaching and directing the tumbling program at L2D. If I can leave you with two thoughts, always remember:

“There are 2 types of pain in life, The Pain of Discipline and The Pain of Regret”
And “What would you attempt to if you knew you could not fail?”

All the best and thank you again,

Becki Hamblin Wood

Letter from Deasha Rockwood

Hi everyone,

My name is Deasha Rockwood and I just wanted to say how excited I am to join the Luv 2 Dance family as the new tumbling director!

It is such an honor to step into Becki's shoes and I can only hope to make you as happy as she has.

I grew up competing in Power Tumbling and have been involved in the sport one way or another my whole life, because I love it. First, as an athlete where I was honored to be a part of the World Age group team representing the USA. I also began coaching at the age of 15 and later, went on to run my own program which I did for the last 12 years. I retired so I could focus on my young family, but feel ready to get back into coaching again.

I enjoy coaching students of all ages and levels and also have an extensive background, not just with competitive Power Tumbling, but also with Cheerleading and Dance Tricks. (I was one of Kim's high school cheerleaders back in the day!)

One of my favorite things is to see my students gain new skills. The look on their face when they do a trick for the first time is priceless!

Thank you for letting me be a part of your dance and tumbling family and I sincerely look forward to meeting all of the amazing people who make up Luv 2 Dance.

Sincerely,

Deasha Rockwood
