PERFORMANCE PROGRAM | Performance Teams are offered as Jazz &/or Hip Hop Classes. The **Performance Teams** fall under our **Performance Program, not the Competition Program.**

This team has been designed to help bridge the gap between our recital and competition program. It provides those dancers who are looking for more training than our recital or recreational dance program offers and less than

the competitive program requires. It is also a great option for those who are interested in auditioning for our competitive program, however, **participation does not guarantee that your dancer will be placed on a competition team.**

PERFORMANCE PROGRAM will

- Perform a routine in Christmas Recital.
- Perform competition routine in Spring Recital.
- Compete in 1 competition in the Spring.
- Performance Team T-shirt or Tank.

Performance Team dancers will begin learning their Christmas Routine at the beginning of September. The Jazz and/or Hip Hop routine will be performed for the competition and Spring Recital. Dance classes will begin in September, after Labor Day.
